To Whom it May Concern:

Reference Lehigh Valley Christian High School, Entity Number 233167, Form 471 Application Number 191042467.

We just certified our form 471 for the 2019 Funding Year. I have always filed this form in a timely manner; however, I was very sick at the beginning of this year and missed the filing deadline of March 2019.

I sincerely apologize for missing the deadline and wondered if there is a chance we can be considered for the e-rate funding for the upcoming 2019 school year though I certified my form several months after the deadline.

Thank you for your consideration and I look forward to hearing from you.

Sincerely,

Kanda M Lesperance
